

SUBCONTRACTOR'S LIST
CITY OF ARGO - BUILDING DEPARTMENT
100 BLACKJACK ROAD, TRUSSVILLE, AL 35173
205-352-2120

Pursuant to §34-14A-13 Code of Alabama, 1975 and local ordinances, you, as the general contractor and/or builder shall provide a preliminary list of all subcontractors involved in the construction project, along with their correct contact information within fifteen (15) days of issuance of a building permit. Should the builder add any additional subcontractors to the project or substitute a subcontractor on the project, the builder shall update this list within three (3) days. Upon completion of the project, it is the builder's responsibility to finalize and confirm this list as accurate.

All subcontractors performing work in the city must have a valid business license with the City of Argo. Plumbing, Gas, HVAC/mechanical, and Electrical must pull proper permits and work must be inspected. A Certificate of Occupancy will NOT be issued by the City until all subcontractors have obtained their business licenses and applicable permits have been paid.
